### Veterans Day Ceremony Moved

The annual Veterans Day ceremony held at the Grayling State bank in recent years will be moved to the Copper Kettle along I-75 Business Loop this year.

The ceremony will be from 10:30 to 11 a.m. on Saturday, November 11. Col. Hogan and Jack Alef have organized the ceremony.

### Sen. Binsfeld Quest Speaker Here Nov. 6

The Grayling Regional Chamber of Commerce will be holding a "Legislative Lunch & Issues" program on Monday, November 6, 12 noon, at the Holiday Inn, Grayling. The guest speaker will be Michigan Senate Representative for the 38th District, Senator Connie Binsfeld.

As Vice Chairman of the Tourism and Transportation Committee as well as the Vice Chairman for the Natural Resources and Environmental Committee, Senator Binsfeld has established her commitment to the health and well-being of the state's tourist trade and natural beauty.

The topic of the "Lunch & Issues" program will center on the issue of Tourism and how Crawford County can capitalize on the State's Tourism Initiative. Other topics certain to be addressed are local transportation concerns and environmental issues.

The fee for the luncheon program is \$6 for Chamber Members and \$7.50 for non-chamber members. You are asked to pay at the door. Reservations are needed and can be made by calling the Chamber office at 348-2921, by Friday, November 3.

### CMU Ensemble Plays Here Saturday, Nov. 4

The Central Michigan University Symphonic Wind Ensemble will perform at 7:30 p.m. Saturday, Nov. 4, at the GHS Joseph Stripe Auditorium.

The Central Michigan University Symphonic Wind Ensemble, comprised of the finest wind and percussion students in the music department, has a well established national reputation for excellence. The Ensemble has performed at the Midwestern Conference in Ann Arbor, the Music Educators National Conference and at Regional and National Conferences of the College Band Directors National Association. Most recently the Ensemble was featured in concert at the historic Carnegie Hall in New York City.

This is the second performance of the 1989-90 Concert Series "Learning Through Music."

### Bag Leaves For City Pick-Up

For leaf and brush pick-up in the City of Grayling all leaves and grass clippings must be in bags and placed at the curb on Monday morning by 8 a.m. for pick-up with the regular garbage service. Bagged leaves should be placed in a separate pile but near the garbage to ease handling and allow timely service by the contractor and city crew.

Brush will also be picked up on Monday only and must be placed in neat piles at the curb by 8 a.m. Residents should call the City office at 348-2131 for specific problems with disposal of large amounts of brush or other materials not easily handled by the refuse contractor.

### Blood Bank Set For Nov. 1

A Red Cross Blood Bank will be held at the Grayling High School, from 9:00 a.m. to 3:00 p.m. Wednesday, November 1st.

Blood is in critical supply almost everywhere, especially with the aftermath of the hurricane and the earthquake. In many major population centers surgery is being postponed because of the serious blood shortage.

### New Camp Commander Welcomed At Reception

The Grayling Red Barn will be the site of a reception to welcome Lieutenant Colonel Wayne Koppa as the new Commander for Camp Grayling.

This reception will be held on November 9 from 4:30 p.m. until 7:00 p.m. The charge is \$4 per person, hors d'oeuvres will be provided with a cash bar and the public is invited.

Lt. Col. Koppa comes from the 72nd Brigade in Owosso and assumed his new duties at Camp Grayling on November 1.

## 5 Candidates Seek City Council Seats

Five Grayling residents will be vying for two city council seats in the upcoming November 7th general election. The following are profiles of each candidate:

#### Wm. Dennis Sloan

Wm. Dennis Sloan is the only incumbent candidate on the ballot having served on the council for eight years (two four year terms).

Sloan has been a resident of Crawford County for 33 years. He is a high school graduate, and has attended various training schools during his six years with the Michigan National Guard. He has served as a volunteer for 10 years on the Grayling City and Township Fire Department.

He has been employed for 15 years for the State of Michigan at Camp Grayling as a Fire and Safety Officer.

"I would like to continue improving city services while keeping costs as low as possible for its residents," he said. "Keep taxes low and services high!"

#### Lawrence (Larry) Akers

Lawrence (Larry) Akers is a native of Grayling and has lived all 38 years here. He is a Grayling High School graduate and has attended Kirtland Community College and Central Michigan University.

Akers has worked for the Grayling City Police Department (4½ years), WGRY radio station (2½ years) as an on-the-air announcer, assistant news director and program director, and is currently the Communications Administrator for the Crawford County Sheriff Department at the rank of Corporal (9 years).

He has served as the coordinator of the Jr. Deputy Program for the 4th grade for 9 years and serves on the Grayling Housing Commission, Medical Control Board, Emergency Services Council and the Emergency Management Board (the old civil defense council).

"Whether it is through the Jr. Deputy program or my participation in community services, I have always tried to work for the betterment of my community," Akers stated. "Serving on the city council is a goal I set for myself in high school and is an additional way for me to serve. I believe local government is the truest form of the American political system because we are able to see first hand the results of our vote."

**SPOOKS, WITCHES AND CLOWNS.** Rain caused the cancellation of the Crawford-AuSable Elementary Schools' annual Halloween parade down Michigan Avenue, so the

Grayling Elementary School's pirates, princesses, and punk rockers paraded through the school's hallways and classrooms.

## Ambulance Group Recommends Private, Non-Profit Service

The best available and most economical emergency medical service for residents and visitors of Crawford County should come from a private-nonprofit directorship corporation. Howard Taylor, chairman of the Ambulance Advisory Committee, told the Crawford County Board of Commissioners at their October 26 meeting. Taylor said in his committee's opinion the new corporation should utilize existing publicly owned and supported equipment, facilities, and personnel whenever possible.

"The advisory committee arrived at this conclusion after many hours of meetings, interviews, survey work and evaluation," said Taylor.

To achieve the nonprofit corporation, Taylor said some sort of guaranteed revenue in the form of an on-going contribution from the various units of government served should be established. The committee suggested that this contribution be based on either the county's State Equalized Valuation or on a per capita basis and that a predetermined percentage of this revenue be placed into a sinking fund, not available to general fund operational expenditures, to be used for the purchase of vehicles and equipment to replace or expand present inventory.

Taylor said initially, five people should be appointed to organize the private-nonprofit corporation and then serve in the capacity of corporate sponsors. He suggested that the five people represent Crawford County (someone appointed by the commissioners but not a commissioner), Mercy Hospital, Crawford County businesses, Crawford County industry and someone from participating townships and the City of Grayling.

"Only the very best business minds available in the county should be considered for this board," said Taylor. "It cannot be a popularity contest."

Following incorporation, the size of the Board of Directors can be increased to an equitable representative number as stipulated by the corporation's by-laws.

"No ambulance service can survive in northern Michigan without some type of subsidy," he said. "It has never been a profit making venture and it never will be."

Of the 16 ambulance companies surveyed by the committee, one was a private company, two were private-nonprofit corporations and the remainder were publicly supported companies. For this reason, the committee recommended that all Crawford County emergency medical

responses, including transfers, should be performed by the private-nonprofit ambulance service.

The committee also recommended that a program of education and advancement be established in order to bring the emergency personnel up to Advanced Life Support as soon as possible.

Taylor said of the 16 companies surveyed, 12 receive some form of millage or subsidy ranging from \$7,000 to \$105,000. In-kind contributions were not taken into account. In addition to these subsidies, some companies also receive grant monies.

## School Finance Proposals A & B Face State Voters November 7

Crawford County residents will vote on two state school finance proposals on Tuesday, Nov. 7. Polling booths will be open 7 a.m. to 8 p.m. at the Grayling City Hall, Grayling Township's new offices along M-72 West, Frederic Township Hall, Lovells Township Hall, Beaver Creek Township Hall, and South Branch Township Hall.

Here is the ballot language for proposals A and B:

#### Proposal A

A proposal to increase the sales/use tax from 4 cents to 4½ cents per dollar and constitutionally dedicate funds for local schools.

The proposed constitutional amendment would:

1. Constitutionally dedicate to schools: a. ½ cent increase in sales/use tax; b. current statutory revenue sources, including lottery profits and some cigarette/liquor taxes; c. increased share of existing sales/use tax (51% to 75%) to substantially replace annual school appropriation.

2. Distribute dedicated funds to school districts as provided by law.

3. Activate increased statutory penalty to deny 100% of state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

#### Proposal B

A proposal to increase the sales/use tax from 4 cents to 6 cents per dollar, reduce property taxes, set permanent school operating millages not subject to voter renewal and constitutionally dedicate funds for local schools.

The proposed constitutional amendment would:

1. Constitutionally dedicate to schools: a. 2 cent increase in sales/use tax; b. current statutory revenue sources, including lottery profits and some cigarette/liquor taxes; c. increased share of existing sales/use tax (51% to 75%) to substantially replace annual school appropriation.

2. Reduce property taxes in most school districts. Replace school taxes with permanent statewide millage (9 mills on residential/farm; 14 mills on businesses) plus non-voted local millage not subject to voter rollback. Limit voter-approved increases to 4 mills.

3. Set per-pupil funding guarantees subject to change by law requiring ¾ vote.

4. Activate increased statutory penalty to deny all non-guaranteed state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

The Crawford AuSable School District Board of Education and the Crawford AuSable Federation of Teachers have both endorsed proposal B on the November 7th ballot. Crawford AuSable Superintendent, Kent Reynolds, said the school board is not urging people to vote against proposal A, but they're saying proposal B is better.

Reynolds said proposal B would give Crawford AuSable more money than proposal A, it would end the operational millage renewal elections, and give a 40 percent property tax break to local residents.

## Grayling Twp. To Charge \$15 Compactor Fees

Grayling Township will begin an "annual charge" for compactor decals for 1990 to help offset inflationary operating costs.

Operating costs for the compactor have increased from \$7,858 in 1977 to more than \$22,000 for last year. The bulk of this was due to increased tipping fees at the county landfill, according to township supervisor, Arnold Stancil.

The cost of the new 1990 decal will be \$15 per year. For a family to dispose of three bags of garbage per week would amount to 9 cents per bag.

"Without the decal" Stancil stated, "the cost per bag would be 75 cents, which would amount to about \$117 per year." The 75 cents is the same as the Crawford-Ostego Landfill is charging. However, the landfill is located some distance away from most of Grayling Township's residents and would require a longer drive.

The anticipated revenues will not completely offset the costs of operation but the township board feels it will certainly be of aid in maintaining the fine facility.

"Waste disposal is just one of today's most perplexing problems," Stancil stated, "just pick up any newspaper and the future problems facing our community and our state are readily apparent."

The decals for 1990 are already available during office hours at the township hall located at 6539 M-72 West (across from the Calvary Baptist Church) and can be bought by mail by sending a check or money order for \$15 to Grayling Township, P.O. Box 521, Grayling, MI 49738. Please do not include this fee in your December tax payment unless it is a separate check.

In addition, for your convenience, township personnel will be in the offices on the following dates and times: Saturday, December 30, 1989 (8:00 - 1:00); Sunday, December 31, 1989 (12:00 - 6:00); Wednesday, January 3, 1990 (4:00 - 8:00), and Saturday, January 6, 1990 (8:00 - 1:00).

The above hours coincide with the normal transfer station hours due to the fact that annual decals will not be available from the transfer station in order to avoid traffic congestion and delays.

## Hanson Honored For 37 Years of Service

A retirement dinner party honoring Col. David "Skip" Hanson was held Saturday at the Grayling Holiday Inn. More than 300 friends and family members of the civilian and military communities gathered to celebrate Hanson's 37 years of military service.

Born and raised in Grayling, his career began and ended here with his membership in the Michigan Army National Guard.

Following dinner,

many friends and co-workers from Hanson's past assignments presented him with mementos and gifts. A coveted medal, the federal Legion of Merit, was presented by Brigadier General Jerome Mathieu, Jr. Its certificate reads, in part, "For exceptionally meritorious service in various positions of increasing responsibility, culminating as the Commander, Installation Support Unit, Camp Grayling," and "as a

result of his role, Camp Grayling is one of the finest mobilization and training installations in the nation." The inscription bears the signature of Michael P.W. Stone, Secretary of the Army.

Among many gifts and presentations was a poem written by Joseph Murphy, a former MATES employee under Col. Hanson, whose poetry and columns appear regularly in the Avalanche. Murphy's poem appears here:

### A Salute To The Colonel

Way back in nineteen fifty two

A young man joined the Camp Grayling crew  
He was a young man just out of school  
He came to work and learned, not just to fool

He joined the National Guard and did his share  
We were happy to have Skip Hanson there  
While loading timbers on a flatbed one day  
The tip of his finger was cut away

He trained as a mechanic at the Fort Riley School  
Where he was taught the proper use of each tool  
He was taught how to report by a Colonel there  
That you just didn't walk in and say "I'm here"

He served his country in the Korean War  
When his country called, he was in the fore  
He returned and joined the Guard again  
We were glad to have him, he was a damned good man

Then he went to Lansing, doing good work there  
On the vehicles placed in his care  
Soon he was off to Officer Candidate School  
For they found this young man was no fool

He came back to Camp Grayling to run the old Con. Site  
He did the job, and he did it right  
He moved up in rank as good men do  
Who are leaders of men and whose words are true

Then it was back to Lansing as the S.M.O.  
The man who makes the maintenance programs go  
When his shoulder boards bore Eagle rank  
He had only his own hard work to thank

Then it was back to Camp Grayling as its Commander  
Where a man named Alstott would raise his dander  
Now the time for retirement is here  
For this good man for whom we cheer  
Colonel, we wish you all the best  
You've worked long and hard, now enjoy your rest

## Local Hospice Has Served 40 Patients Since 1987

In the belief that death is a part of life, and that persons with advanced illness and their families should have the community's finest support, the Hospice of Crawford

County was established in 1987. Hospice has provided services to forty patients and families and developed a Grief Support program since its initiation in

Crawford County.

Hospice provides the volunteer services of nurses, social workers, clergy, lay volunteers and Board members as the core component of care to clients and their families. These services are coordinated with the prescribed care of the patient's attending physician. Volunteers are available to provide assistance by listening and supporting families and patients; by promoting communications among family members; by providing assistance with transportation, errands; by assisting the family in securing needed community resources; by staying with the patient while the family has some time for themselves; and by providing support for surviving loved ones in the grieving period following death.

The Hospice program is a participating agency of the United Way of Crawford County. Additional information about Hospice can be obtained by calling Hospice of Crawford County at 348-5461, Ext. 128 or 345.

## You Can Help Local Victims

(In the last of the three-part series, River House Shelter will discuss how interested individuals, church groups, and community organizations can be of assistance to the program.)

River House Shelter is a non-profit agency, sponsored by Mercy Hospital-Grayling and the Department of Social Services. The shelter provides services to domestic violence victims and their dependent children living in Crawford, Oscoda, Ogemaw, and Roscommon Counties. While the program is funded through state and federal grants, and United Way funds (in Crawford and Ogemaw Counties), they are also dependant upon private and public contributions in order to meet the local match-fund requirements of our state grant. For every dollar provided by the Domestic Violence Board, a division of Department of Social Services, they must earn sixty cents locally.

There are many ways to assist the River House program, such as volunteering time or by making tax deductible contributions of cash, household goods, clothing, food, or toys. The following are examples of how individuals and groups have assisted the shelter.

**VOLUNTEERING:** During the past fiscal year, volunteers in the four county area donated volunteer time worth \$25,000 to the River House Program. Volunteers provided emotional support and assisted clients and their children in shelter and at support group meetings. They also worked in the office and shelter as assistants, transported clients, delivered and sorted donations, helped with fund raisers, and worked as outreach assistants in their own communities.

They currently have a need for volunteers to assist with the children's program and the night shift in shelter. Training is provided and schedules are designed to meet the shelter's need as well as to accommodate the volunteer's schedule.

**CLIENT NEEDS:** Families who come to shelter often leave home with only the clothing they are wearing. Some women are never able to return home to collect personal belongings or household goods. While in shelter, women and children need jeans, tee-shirts, sweatshirts, night clothes, and underwear. With winter approaching, we will be needing children's jackets, boots, mittens, and hats, as well as winter coats or jackets for women. Women who are moving to a new home will need furniture, cookware, dishes, and linens.

Through past contributions, we have helped many families replace items such as beds, sofas, chairs, kitchen tables, and lamps. One of our greatest needs is for donated storage space, (such as a garage, barn or mini-storage) for donated furniture and appliances. If you have clothing or household items you would like to donate, or can donate storage space, please call River House at 348-3169 to make arrangements.

**SHELTER NEEDS:** River House Shelter can provide housing for sixteen women and children. While the purchase of items such as food, paper products, and personal needs is funded through grant money, our supply is rapidly depleted, and contributions of these items are always welcome. Examples of special donations we have received are canned goods from a local weight loss group equal to the amount of weight each member lost during the year and items such as paper towels and diapers for shelter use from a paper shower sponsored by a women's association. Other donations include a television, an air conditioner, and baby furniture

for the shelter home, and an electronic typewriter for the office.

**FINANCIAL ASSISTANCE:** Thanks to the financial generosity of individuals and groups, we have been able to purchase a security system for the shelter, build an outdoor play area for the children, and purchase play and educational equipment for the children's program. While our buildings are donated and maintained by Mercy Hospital most major renovations are the responsibility of River House.

We have requested funds to purchase a new kitchen floor covering and have requested assistance with starting an "adopt-a-room" program for the shelter. This is a program in which an individual or group adopts a room in the shelter and becomes responsible for providing the needed items for that room. If you, your business, church group, or civic organization are interested in assisting with shelter or office renovation, please call the River House Outreach Coordinator at 348-3169.

**COMMUNITY OUTREACH:** The shelter program provides services to Crawford, Ogemaw, Oscoda, and Roscommon Counties, an area of 2500 square miles. In order to provide information about domestic violence and the shelter programs in this large, rural area, we need assistance from volunteers within their own communities.

The above suggestions are only a few of the ways that you can help. If you would like further information or have any questions or suggestions, please call the shelter offices (517) 348-3169 during business hours (9:00 a.m. - 5:00 p.m. Monday through Friday). Messages may be left with the shelter night staff after business hours.

## Northern Views

By Jon Thompson  
Avalanche Editor

Between innings of the World Series, one commercial actually caught my attention. It's the Burger King ad with its CEO explaining that sometimes "you have to break the rules." For every doubles something or other you buy there, Burger King will donate 25 cents to a disaster relief fund to help earthquake and Hurricane Hugo victims.

That is nice of Burger King. Those 25 cent donations could add up to hundreds of thousands of dollars in aid.

But I wonder what rules are they breaking? That corporations shouldn't give back some of the money they take from people? And how much money did all those TV advertising spots cost? Prime-time during the World Series? You have to wonder if they spent more money telling people about their donation than they're actually going to give to the disaster relief fund.

And to be fair to Burger King, isn't this column typical of Americans? Here we have Burger King donating quite a lot of money to help disaster victims and I'm questioning their motives. Who can top Americans for being cynical?

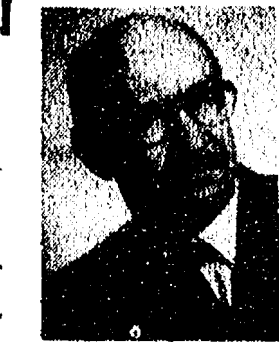

Maybe I didn't like the Burger King commercial from the beginning when the man is identified as CEO for Burger King. Why do corporations need a Chief Executive Officer anyways? What is wrong with the term president? Now with the CEO on top, the president in effect becomes a vice-president with a fancier title.

With more mergers, you'll soon have a corporation with two CEO's and someone above them -- a Senior Notable Officer Bigshot or SNOB for short.

### Violence Makes The Difference

**GETTING TOGETHER** with folks middle-aged and beyond in the last couple of weeks invariably invokes a discussion of the conduct exhibited by young people these days.

For the purpose of this brief essay, "middle aged" is defined as anyone old enough to be parents of offspring in their late teens or early 20's.

Prompting the dialogue would be recent campus uprisings, specifically after red-hot football games, at Michigan State University and Western Michigan University.

After MSU lost a tough one to University of Michigan in East Lansing, a few thousand young people partied long into the night, building a couple of large bonfires and feeding them with bicycles, at least one moped, furniture from nearby off-campus apartments, and just about anything else flammable upon which revelers could lay their hands. East Lansing police -- badly outnumbered by the estimated 3,000 partiers -- cordoned off the area and watched.

**AFTER WMU LOST** a tough one to Central Michigan University in a homecoming gala at Kalamazoo, a few thousand young people partied long into the night, torching cars, throwing rocks and other handy missiles, and generally creating havoc. This time, police waded right in, using tear gas and any other measure at their command to control and break up the revelry.

These two instances are not isolated. Central Michigan used to have what students graphically called their "end of the world party", which assumed similar proportions.

University of Michigan students earlier this year created a near-riot in an outrageous celebration after winning the NCAA basketball championship.

And it goes on and on, not only near Michigan campuses, but across the country.

### WHAT'S GOING ON HERE?

Are students today getting worse and worse? Is all they think about drinking beer and having parties? Don't they care about getting an education? Why don't the colleges do something about it? Why don't the police stop all this dangerous nonsense?

Back when we were going to school (so claim the middle-agers and their elders), we never did anything like that... oh, sure, we had parties and maybe drank a little beer... but nothing like what's going on now.

Being a middle-ager or older myself, I have to agree. Back at MSU in the 1940s and 1950s it was nothing like this then, students had beer busts, not riots. And not-quite-middle-agers attest that in the 1960s

and 1970s, crowds and demonstrations were goal-oriented, such as promoting civil rights, or ending the Vietnam war.

But a lot of things are different today. The "parties" turn riotous. The goal is self-indulgence. How come?

**IN THE FIRST PLACE**, there are a lot more people concentrated on campuses today than ever before. After World War II, MSU, for example, burgeoned to 15,000 students; today, it's about three times that size.

About 20 years ago, Central and Western were bucolic in size compared with today's enrollments, and U of M is gargantuan. Size does indeed make a difference; more students concentrated in a single area means that today's party of 3,000 would compare with yesterday's beer bust of a few hundred. That makes a big difference.

Alcohol seems more easily obtainable today, and more socially acceptable as well. Advertising -- especially through television, which is another story by itself -- has not only made drinking fashionable but almost required, unless a teenager is going to be a social outcast. Drinking plays a large part in all these happenings.

**THE BIGGEST** difference with the past, however, is the violence which accompanies today's parties. The violence also is the most reprehensible part of what's happening today.

It should be unthinkable for partiers -- no matter how drunk nor how emotionally pitched -- to take property of others and destroy it. To burn automobiles, or to pitch furniture on a bonfire -- is not only stupid because it's dangerous, but it also is a hateful thing to do.

Again, it seems to me, television has played a role. Today's young adults have grown up with TV, and therefore have been exposed to violence from the cradle on up. Violence not only leaps at the viewer from the programs and the movies, but also from the news reports, which now are vivid and timely and in living color. This is a violent world. Today's kids know violence. They also know rioting -- again from televised news.

**WHAT CAN** be done about it? Certainly, we should not stand for any disregard of other's rights and property. Neither should the revelers themselves.

But young people are going to party. College students have done so forever, and will continue to do so. And huge student bodies will produce huge parties. It is inevitable.

As middle-agers, we will have to learn to accept the ways of youth. One redeeming grace is the knowledge that they will outgrow them. After all, we did.

## Dance Raises \$3500 For Sullivan Fund

The Benefit Homecoming Dance sponsored by the Class of 1984 generated three times the initial goal, showing what the efforts of the Class members can accomplish with some hard work and dedication. In excess of \$3500 was raised for the Sullivan Trust. The Class of 1984 has established a Trust Fund to assist with the continuing

costs of caring for and educating John. The Trust Fund continues to grow. Donations are still arriving and the Trust will continue to be supplemented with money from Glen's

Markets Save and Share Program. The Class of 1984 and the Sullivan Family has a warm place in their hearts for the Congregation of the Michelson Memorial

Church. Dr. Dennis Paulson presented John's plight to his Congregation and requested a separate offering for John. The Church collected \$1380.50 for the Sullivan Trust. Since our original goal was less than this figure, you can see what can be accomplished when sharing, caring people come together.

The Class of 1984 wishes to express their gratitude to all who became involved with the Benefit Homecoming Dance, which was held for all past alumni, as well as friends and family of Marcia Sorenson Sullivan (Class of 1984), mother of John Sullivan. A Special thanks to those who gave so generously but were unable to attend the dance.

## How Can We Trust Government After Seeing So Much Corruption?

After watching so many advertisements on T.V. pushing for passage of proposal "A", one begins to wonder where all the money is coming from to pay for these ads, - someone is going to gain and it sure as heck isn't the taxpayers or the kids. They are testing our stupidity, offering us the chance to vote ourselves a sales tax increase without a single benefit. If they would take the millions they've been spending in advertising and give it to the kids - we wouldn't have to go to the polls to punch the no hole.

Then there's proposal "B". Understanding, it is a step in the right direction - "temporarily" reducing our property taxes - we will be stuck with a permanent sales tax increase and within 4 years right back to paying more property taxes than we pay now.

The "Headlee" protection we now have that the people voted in will be eliminated with the passage of proposal "B". They say it doesn't amount to much anyway - great - but we voted for it and it doesn't amount to much why do they want it eliminated?

Taxing business property at a different rate than residential property is sheer nonsense. No business is going to pay our taxes for us. It must be passed on to the consumer - us. (higher prices and inflation). Business can't lose money or they're out and so are the employees.

Also, a big problem is what is a residence and what is a business? For every person with a small office in home or working out of a home - Who is going to figure out those tax rates? 1/4 or 1/2 of house - business, 3/4 or 3/2 residential? How many more tax assessors will be needed to figure out that nightmare? I'm sure about that time all motels will become temporary residences, etc. And what about "uniform" taxation

that the law requires? And if that isn't enough proposal "B" actually gives the legislators the right to amend and change the Constitution without a vote of the people.

Isn't that great? We should trust the legislators to amend our Constitution when they try to stick us with every possible tax, every chance they get, such as proposal "A".

Governments have

always been corrupt and greedy. Thomas Jefferson made it very clear, to oppose and resist their oppression and overburdening demands for more and more taxation and loss of freedoms.

If they can amend the Constitution without our vote - they'll soon have our guns - freedom of speech - press, etc. It would be nice "if" we could believe them but how do you trust a

government that everyday we see the corrupt results?

Do as you want, but please vote Nov. 7. If neither gets a majority maybe we can get a proposal without all the strings attached that the state wants to attach to our tax dollars. Remember they have no money without first taking it from us.

## School Board Supports 'B'

Dear Residents of the Crawford AuSable School District,

November 7 is an important day for the educational future of the children of the state of Michigan. We urge you to vote for Proposal "B". There will be two proposals on the ballot. Both are beneficial for our school district, but Proposal "B" is better for our district. We hope the following answers to commonly asked questions will convince you to support Proposal "B".

How Will The Proposals Affect My Property Taxes? Proposal "B" will REDUCE our school operating millage on residential property from 28.35 to 17 mills (40%) and will REDUCE operating millage on business property from 28.35 to 22 mills (22.4%). Proposal "A" does not reduce property taxes.

What Increase In Dollars Will This District Receive?

Proposal "B" will increase dollars for the education of each child in this district by \$350 the first year and by \$1541 (57.5%) in the first five years. Proposal "A" will increase dollars for the education of each child in this district by \$310 the first year and by \$751 (28%) in the first five years.

How Will The Proposals Affect Future Millage Elections? Proposal "B" creates a FIXED millage rate of 17 and 22 mills not subject to millage renewal elections. Proposal "B" controls future millage increases by creating a permanent ceiling of 21 residential mills and 26 business mills in this district. The four additional mills, should they ever be needed, would be subject to a vote of the people. Millage levels under Proposal "A" will still be determined by millage elections with no ceiling on millage

increases.

How Do The Proposals Affect Sales Tax? Proposal "B" increases sales tax from four cents to six cents on the dollar. Proposal "A" increases sales tax from four cents to four and one half cents on the dollar.

Will This Be Another Lottery Boondoggle? NO! Both proposals constitutionally guarantee that the state's contribution for education from the state general fund and the lottery will not be reduced. All of the additional sales tax from Proposal "B" will be constitutionally dedicated for schools and property tax relief. All of the additional sales tax from Proposal "A" will be constitutionally dedicated for schools.

The Crawford AuSable School District Board of Education supports Proposal "B" because it REDUCES

PROPERTY TAXES and constitutionally guarantees greater equality in educational funding.

## Let's Talk About It

By Joe Murphy

Some how I just can't forget the great feeling I used to bring me when as a kid I paid a visit to our cellar at this time of year. There would be shining row after row of glass jars full of great food for the winter. Strawberries, raspberries, blackberries and blueberries all held their promise of some great desserts during the long cold winter. They always brought forth memories of those hot summer days when we sweated while we picked them.

Greenbeans, peas, beets, pickles and all the other vegetables would keep our family healthy and well fed. The potato bin would be full, carrots and rutabagas were there in plenty. Maybe the sauerkraut barrel was filled and working, I was always dipping the juice off the top to drink, it was darned good.

There would be two or three pigs up at the farm ready to butcher as soon as the weather was cold enough. Dad and my older brothers would add a deer or so to the supplies. I hoped to get the rabbits for Mom to make some of her good rabbit pie now and then during the winter. I knew Mom would use some of that venison to make her wonderful homemade mince meat. The taste of that mince meat in pies and filled cookies would brighten many a cold winter day.

Some how I miss the feeling of accomplishment that those trips to the cellar used to bring. For as I gazed upon the plenty we had to en-

joy I knew some of my work and sweat had gone into each and everything. I think that is a big reason that we look back at our childhood during the depression days with such fondness. Children played a very important part in the welfare of the family. They were expected to help pick the berries, work in the garden and each was a contributing member of the whole.

My mother used to tell the story of attending the housewarming of the John Malco home. It was the big house that stands on Marker Road in Maple Forest. It may have been torn down by now as the last time I saw it the windows and doors looked to be gone. My mother recalled it as a very beautiful home that was the pride of the whole community. All the woodwork on the inside was wild cherry wood and finished with a beautiful sheen. The double doors leading to the parlor slid back into pockets in the walls.

Just across the road from the Malco home there had been a very nice home and the lady from there felt her nose a little out of joint at the Malco housewarming. She could not find much to criticize in the new home except those doors which she referred to as barn doors. That old house has fallen to hard times and I understand much of that beautiful woodwork was torn off and burned for heat by one of it's renters years ago. Old John and his wife would turn over in their graves to see the fate of the fine home they created.

# National Defense Is Only Half Of Guard's Duties

We live next door to you. We work with you. We teach your children. Cure your ailments. Build your homes. Even repair your automobiles. We're from all walks of life. And while we're really no different from you, something very important sets us apart.

We're America's citizen soldiers. Dedicated to coming to your aid at a moment's notice. To protect your home. And defend our homeland.

Many Michigan citizens are unaware of

just how many ways they depend on us.

The truth is that almost half the Army's combat forces belong to the Army National Guard - defense that couldn't be in better hands. You'll find us training with the latest technology and equipment. Quite often our advanced methods set the pace for other military branches.

And the Air National Guard? Today we have the largest defense assignment in history. The shores of most of the continental United States, Puerto

Rico and Hawaii are under our watchful eye. 24 hours a day, more than 85% of the continental United States is protected by the men and women of the Air National Guard.

Here in Michigan, our 191st Fighter Interceptor Group sits on 24 hour alert every day of the year with its jet fighters and live weapons systems ready to defend Michigan skies if necessary.

We face other enemies, too. Fighting them right here in

Michigan and on our borders. Our Army National Guard helicopters and crews, working with the Michigan State Police in Operation H.E.M.P., have eradicated millions and millions of dollars worth of illegal marijuana and our military police have assisted the U.S. Customs Service in keeping illegal drugs from entering our state and destroying the hearts and minds of our children.

You're probably just as surprised to learn that the National

Guard is older than our nation itself. The Guard was formed over 350 years ago to protect and defend the colonies. The Guard has been in Michigan since the Territorial Act of 1805.

Through the decades, the commitment to protect and defend has taken a serious toll.

Close to 188,000 Guardsmen were killed or wounded overseas during World War II. Almost the same number were called to action during the Korean War. In Vietnam, Guardsmen received over 1,700 medals for bravery.

Astonishingly, the responsibilities of national defense are only half of our mission.

Unlike other branches of the Armed Forces, the National Guard charge is twofold. Times of disaster, strife and need find the National Guard always ready to lend a hand - whether it's half way around the world or right in our own backyard. It was an Air National Guard unit first in the scene to help the survivors of the air tragedy in Sioux City, Iowa. And an Army Guard medical unit who inoculated over 10,000 children against polio in Honduras.

Even as recently as today, the California National Guard is digging out the sur-

vivors of the San Francisco earthquake and South Carolina Guard is helping ease the suffering caused by the Hurricane Hugo. Thank God, Michigan has not suffered on such a scale. But if we do, the Michigan National Guard is ready.

All are remarkable humanitarian accomplishments. All good arguments to set the record straight when labels like "weekend warriors" are used to make the Michigan National Guard sound second rate.

The National Guard is the finest men and women of your hometown. We're skilled. Capable. Intelligent. We're Americans at our best. And that's the truth.

## Council Seats

Continued from page 1

D. J. Brown

D.J. Brown has been a resident of Crawford County for six years. She has a B.A. Degree from Michigan State University, has attended many career development seminars and has taken Civil Defense Management training.

Brown worked as Civil Defense Coordinator for Ionia County (3 years), Deputy Civil Defense Coordinator for Crawford County (5 years), Coordinator for Camp Grayling's 75 Diamond Jubilee, manager of the WGRY radio station (2 1/2 years) and is currently the "front end"

manager at Mac's Drug Store.

"I am concerned about providing emergency medical care for our residents and finding a solution to the current ambulance situation," she said. "I also feel that non-city residents who pay city income taxes or city property taxes need to have their concerns heard. If elected, these two issues are among the many issues I would like to address."

Bob Ruddy

Bob Ruddy has been a resident of Crawford County for 27 years. He is a high school graduate and has attended the law enforcement program at Kirtland. During his 20 years with the Crawford County Sheriff Department, Ruddy has attended many management and budget preparation courses.

Ruddy is retired from the Crawford County Sheriff Department and operates a private detective and security business. Through his work with the Sheriff's Department, Ruddy said he has become familiar with the workings of local government. He is a Korean War veteran. Ruddy is the curator of the Crawford County Historical Museum.

"As a senior citizen, I am seeking office to ensure that the Grayling seniors have someone who will listen to them," said Ruddy. "I think the senior citizen population in Crawford County is going to increase and they need to be adequately represented. The senior citizens of the future are going to be more verbal about what they want and need."

Allen V. Schreiner

Allen V. Schreiner has been a resident of Grayling for 18 years. During that time he worked as City Treasurer.

Schreiner is a high school graduate and attended Cleary Business College for two years.

Before coming to Grayling he worked in the private business sector for 22 years and was an accountant for the Conduction Corporation for 8 years.

"I would like to see taxpayers get the most benefit for their tax dollars," said Schreiner. "During the 17 years I worked as City Treasurer I accumulated a certain amount of knowledge about the city's financial aspects and its practical operation."

City council seats are four year terms. The two successful candidates will take office on November 18.

## Ambulance

Continued from page 1

The survey revealed the base rate charges varied from \$0 to \$400 per run. Two companies charge a higher rate for non-residents.

He said an effort was made to gain some insight into the success of bill collection of these companies and from the merger information obtained, it appears that most companies have approximately 40 percent of the current year's charges outstanding. It also appears that each year, approximately 80 percent of their charges are written off.

The Crawford County Ambulance Corps is currently collecting about 43 percent of their fees.

Joe Wakeley, County Treasurer and member of the Ambulance Task Force appointed by the Board of Commissioners, said the task force agreed with the Ambulance Advisory Committee's recommendations. In a report submitted to the commissioners, Wakeley suggested that if the commissioners accept the recommendations of the task force, a target date for closing down the Crawford County Ambulance should be set to encourage the private-nonprofit sponsors to form the nonprofit corporation as quickly as possible.

The commissioners voted unanimously to continue supporting the Crawford County Ambulance Corps for the remainder of 1989 and until the private-nonprofit corporation could be formed. The commission also voted for a \$35 increase in the base rates for the county ambulance service.

## Kolb's Painting Chosen For Alpena Exhibition

A painting by Dena Kolb of Grayling has been chosen for the Northeast Michigan Artists Juried Exhibition at the Jesse Besser Museum at Alpena.

Her oil painting of a

summer stream in Idaho was accepted for the exhibition to run November 5th to December 30th.

Phyllis Adams, artist, art historian, and recently retired Executive Director of

the Lansing Art Gallery, was the juror selecting paintings for the show.

Kolb said although her paintings have appeared at a number of art shows, this is the first juried exhibition for her work.

## ELECT .... LARRY AKERS TO THE CITY COUNCIL

I was born and raised in Grayling and my desire to serve on the City Council dates back to High School, where in Government class I learned that local government is where the people can actually see their votes working for them.

I have worked hard and long for this community. I have been employed by the Grayling Police Dept. and the Crawford County Sheriff Dept. I am on the Grayling Housing Commission, Crawford County Medical Control Board, Emergency Services Council, and Crawford County Emergency Management.

I have worked for the safety of your children by co-ordinating the Junior Deputy Program, Child Registry, Eyes & Ears, and Officer Friendly Program in our schools. I have also been involved in Little League Baseball and Big Brothers of Grayling.

This is a good town but it can get better! I believe in this town and I believe in it's people. I believe now is the time for new leadership. Help me lead Grayling into the progressive 1990's.

Here's a football oddity...Jimmy Johnson, the new head coach of the Dallas Cowboys this year, lost more games in 3 weeks than he did as coach of the University of Miami in 3 YEARS. In the first 3 weeks of the National Football League season this year, the Cowboys, under Johnson, lost 3 games. As coach of Miami, Johnson lost one game in the 1986 season, no games in 1987, and one game in 1988, for a total of 2 losses in 3 years!

If you don't think "3" is a lucky number at Notre Dame, look at this...Former Notre Dame football coaches Frank Leahy, Ara Parseghian and Dan Devine all won the national championship in their third seasons at Notre Dame—then last year was Lou Holtz's third season as coach at Notre Dame, and he won the national championship!

5 times in football history, the Heisman Trophy winner has come from either Army or Navy...Can you name the 5 Heisman winners from Army and Navy? From Navy there was Roger Staubach who won the Heisman in 1963, and Joe Bellino who won it in 1960. From Army: Pete Dawkins (1958), Glenn Davis (1948) and Doc Blanchard (1945).

## Grayling-Gaylord Showdown Here Thursday

The Grayling girls varsity team defeated both Boyne City, 40-28, and Charlevoix, 55-24, last week to stay in second place in the Huron Shores Conference behind Gaylord. Grayling's is 11-3 for the season, only one game out of first.

Thursday, October 28, Grayling hosted Charlevoix for Parents' Night and had little difficulty controlling the tempo of the game. At the end of the first quarter the Vikings led the Red Rayders 14-4 and Grayling was ahead, 27-14, at halftime.

In the third quarter Grayling held Charlevoix to four points and extended their lead to 40-18.

Charlevoix, with a 0-14 record, is having a long season; however, Coach Howard Lehti said playing against a losing team is risky business.

"I expect Charlevoix is going to beat one or two teams this year," he said, "and I hoped it wouldn't be us."

Lehti said for Grayling to be successful and contenders for first place they have to play "their game" for the remaining four games and cannot afford to lose even one game, regardless of whether it is the first place team or a team lower in the standings.

Nikki Morrill was the team's leading scorer with 14 points, 6 rebounds and 2 assists.

Melanie Ojala followed with 10, 2 rebounds and 8 assists; Heather Stephenson 10, 2 rebounds and 3 assists; Michelle Burcham 8 and 9 rebounds; Nikki Trenary 4, 2 rebounds and 2 assists; Shannon Hinds 4 and 4 rebounds; Claudine Allen 2, 1 rebound and 5 assists; Lisa Barber 2, 2 rebounds and 1

assist; Margarita Perez 1 and 3 rebounds; Krista Wyman and Anne Petrosky 1 rebound and 1 assist each; and Janet Bickford had 1 rebound.

"This was a good game for Parents' night," said Coach Howard Lehti, "everyone got to play for four or five minutes." Lehti said playing everyone is something a coach would like to do every game, but the ultimate goal has to be to win.

On Tuesday, October 24, Grayling defeated Boyne City, 40-28, in a low scoring defensive game.

"We were happy to keep our opponent, Boyne City, to only 28 points," Lehti said. "Teams are not able to do that very often at the varsity level."

Grayling narrowly defeated Boyne City earlier in the season, 49-47, and was

prepared for a dog fight Tuesday night. Although the score might indicate an easy victory, the game was close until the third quarter, when Grayling was able to hold Boyne to only one point.

At the end of the first quarter, Grayling was leading Boyne City by only one basket, 14-12, and the halftime score remained close, 21-16.

"With only a 5 point lead at halftime we were not feeling too comfortable," said Lehti.

Grayling scored only 8 points in the third quarter, but held Boyne to only one point. Both teams scored 11 points in the fourth quarter, making the final score 40-28.

Melanie Ojala was high scorer for the night with 16 points, 3 rebounds and 1 assist. Ojala shot 5 for 6 at the foul line.

Other points were

made by: Heather Stephenson 9, 8 rebounds and 4 assists; Nikki Morrill 8, 8 rebounds; Michelle Burcham 5, 8 rebounds and 1 assist; Shannon Hinds 2 points; Nikki Trenary 6 rebounds and 3 assists; Janet Bickford 4 rebounds and 1 assist; and Claudine Allen with 1 assist.

"Nikki Morrill has done a nice job not only in the scoring department, but also on the boards," said Lehti. "She has improved her rebound positioning and is an asset on the defensive boards."

Heather Stephenson turned in an impressive performance considering she had under gone minor surgery on her spine earlier in the day.

Grayling shot 50 percent (13 for 26) from the foul line.

Grayling traveled to St. Ignace on Tuesday night, and will host first place Gaylord on Thursday.

"Grayling is undefeated on their home court this year, and we do not plan to lose here," Lehti stated.

"Our winning streak goes back well into last year. The girls have pride in their home stadium and seem to try harder at home." He said that instead of 100 percent,

Grayling puts out 120 percent at home.

To win against Gaylord, Lehti said Grayling will have to control the tempo of the game and play four complete quarters.

## JV Girls Beat Boyne City 40-32

Too many missed lay-ups and break-away shots cost the Grayling J.V.'s the game against Charlevoix on Thursday, October 28, 54-42. "If we had made half the lay-ups we missed on break-aways we would have won that ball game," said J.V. Coach Dallas Hudson.

The Red Rayders led the Vikings, 11-7 at the end of the first quarter and 31-25 at halftime.

Grayling led 41-33 at the beginning of the fourth quarter.

Three of Grayling's starters, Kim Labo, Michelle Parker and Cindy Fedewa, fouled out which hurt the Viking's game.

Brenda Moshier led her team in scoring with 11 points and 13 rebounds. Hudson said she played a good game both offensively and defensively.

Other points were made by: Elissa Cox 9 and 5 steals; Cindy Fedewa 9 and 10 rebounds; Michelle Parker 5; Kristie Lamie 4 and 7 rebounds; Andrea Austin 2 and 8 rebounds; and Kim Labo 2 and 15 rebounds.

"Kristie Lamie played one of the best games she has played all year," said Hudson. "She came in off the bench and rebounded really well for us."

"The girls played a good ball game," he

said. "The ball just would not go through the basket for us."

It was a different story on Tuesday, October 24, at Boyne City where Grayling was victorious, 40-32. The J.V.'s controlled the tempo and led throughout the ball game.

Elissa Cox was high scorer for the game with 17 points and 6 steals. Hudson said Cox had a "super" ball game.

"She had an excellent offensive game and helped the defensive effort with her steals," he said.

Other points were scored by Brenda Moshier 9, 27 rebounds and 5 steals; Michelle Parker 4 with 5 rebounds; Kim Labo 4 with 11 rebounds; Cindy Fedewa 2 with 8 rebounds; Kristie Lamie 2 points and Tara Bertalan with 6 rebounds.

"Brenda Moshier controlled the boards all night," said Hudson. "She improves with every game she plays."

The J.V. played St. Ignace away on Tuesday, and will host Gaylord on Thursday.

"Gaylord is probably the best ball club we have played this season," said Hudson. "They will be tough, but we are looking forward to playing them at home."

## Gaylord Beats Grayling at End 20-14

Penalties, dropped passes and fumbles all contributed to Grayling's defeat by Gaylord last Friday, October 27. The Vikings led the Blue Devils for three quarters, but with about 5 minutes remaining in the final game of the

season, Gaylord scored for the third time to win, 20-14. "When we started the game we were able to stop them completely on defense and move the ball on offense," said varsity coach, Don Stowers. "We were ahead in the

first quarter, 14-0, but from that time on we sort of self-destructed."

Stowers said quarterback Matt Branch threw the ball well all night. Branch set up one touchdown with a couple passes and one long run by Mick McKinney. Dana Mirato scored the touchdown from one yard out. Andy Eriksson kicked the extra point.

Later in the first quarter, Branch threw a 55 yard pass to McKinney for Grayling's second touchdown. The extra point was good and Grayling was ahead 14-0 at halftime.

After that Grayling had several penalties, some minor, others for 15 yards. They dropped five or six perfect passes during the game. Stowers said one dropped pass would have resulted in a touchdown because the receiver was all alone.

"Another play that hurt us involved a long

punt return deep in our territory that set up a score," he said.

Grayling was ahead, 14-12, with eight minutes remaining in the game when Gaylord recovered a Viking fumble which led to the final touchdown of the game, and Gaylord's victory.

Stowers credited Matt Branch, Mick McKinney, Todd Thorsen, Nate Glinther and Frank Hartwick with good offensive games

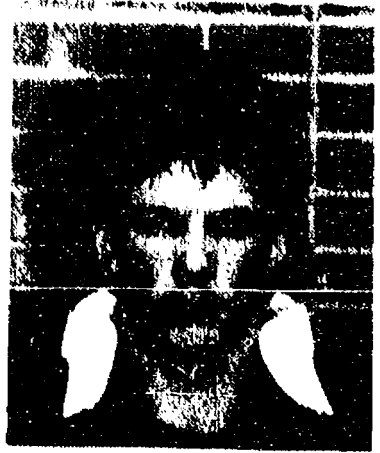

and Branch, Glinther and Abney were good defensive games.

"We played fairly well defensively most of the game," Stowers said, "and we didn't have any trouble moving the ball against them. It was just a problem with penalties and costly turnovers."

Grayling finished the season with a 3-6 record. Seven of the Viking's eleven starters will be returning next year.

### Seventh Grade Shoots For 1st Place

By Nicole Wilcox and Almee Voigt  
Seventh Grade girls basketball team beat Kalkaska Wednesday, October 25, 24-10.

High scores for Wednesday night's games were Danyell Galvani and Nicole Parker with 6 points each and Kim Haske with 4. Also scoring that night was Sarah Furst, Tammy Hinds, Lynette Mead, and Nicole Sloan all with 2 points each.

On Saturday afternoon, October 28, the seventh grade girls basketball team beat St. Ignace 21-12.

The high scores of the game was Nicole Parker with 11 points. Also scoring Saturday were Lynette Mead and Nicole Sloan with 4 points each. Sarah Furst also scored 2 points.

Seventh grade coach Harold Mertes said, "The team did very well this year and improved as individuals and as a team. They also played very good defense."

Injured in Saturday's game was Nicole Parker who was tripped and sprained her ankle after spraining her opposite ankle in gym. The standings for the seventh grade team is now 8 wins, 3 losses. The seventh grade team is tied for first with Gaylord St. Mary's.

### Local Ski Shop Helps Special Athletes

Cross Country Ski Headquarters of Higgins Lake is accepting donations of used ski gear and clothing from consumers for nonprofit groups in the community. The ski shop is taking part in Subaru Deduct-A-Ski 1989, a nationwide program that distributes ski equipment and clothing to local charities for use in skiing programs. Cross Country Ski Headquarters will provide tax deduction receipts for all equipment, and donate usable gear to the COOR Intermediate School District.

"Subaru Deduct-A-Ski is a great way for consumers to clean their closets of unused ski equipment," says Bob Frye of Cross Country Ski Headquarters. "They get a tax deduction, and a great feeling of helping others. Disadvantaged and handicapped athletes get a chance to learn to ski and ski race. Everybody truly benefits from a program like this."

## Feldhauser Joins GMS Staff

By Nancy Lemmen  
The Crawford School District has hired Dawn Feldhauser to teach 5th grade at Grayling Middle School.

She received her bachelor of science degree in secondary education from Central Michigan University in 1982, with a major in English and a minor in reading in the

secondary schools. In 1986, she earned her elementary certification.

Dawn moved to Grayling in the mid 1980's, when she married Scott Feldhauser, who works at the Crawford County Sheriff Department. They are the parents of 17-month old Ryan.

Since 1985, she has been a substitute teacher for the CASD. During the 1988-89 school year, she taught 2nd grade at Grayling Elementary School during the second semester.

Born in Poplar Bluff, Missouri, Dawn lived in Cadillac and worked as a secretary for Community Mental Health before she began to teach. In her free time, she makes baskets and does other crafts. She is presently serving on the Middle School's committee for Writing Across the Curriculum.

## Bentley Earns Award For High Test Score

David J. Bentley, a senior at Grayling High School, has been named a Commended Student in the 1990 National Merit Scholarship Program (NMSPP).

David was one of 24 GHS students who took the annual Preliminary Scholastic Aptitude Test (PSAT) in the fall of his junior year. With his score, in the 98th percentile, he joined nearly 35,000 Commended Students nationwide who are being honored for their outstanding performance on the 1988 PSAT.

An official of the Merit Program said, "to be designated a Commended Student in this extremely com-

petitive program is an attainment deserving of public recognition and is a credit to these young people and their schools."

GHS Principal Carl Naghtin and Counselor Vickie Green presented David with a Letter of Commendation from the high school and the National Merit Scholarship Corporation in honor of his score, which indicates his exceptional academic promise.

After graduation, David plans to attend General Motors Institute (GMI) in Flint to study engineering.

## Gaylord Handles JV Team 62-6

The Grayling J.V.'s hosted the Gaylord Blue Devils last Thursday, October 26, in the final football game of their season and lost to a superior team, 62-6.

"Gaylord took the opening kick off and ran it back 70 yards for their first touchdown and it just kept going from there," said Coach Fred Wolcott. "We didn't have many offensive plays, they were just a real good

football team." Grayling's only touchdown came midway in the second quarter on a seven yard run by Gary Schroyer. The extra point was no good.

The J.V.'s finished their season with a 5-4 record.

"This was a good group of kids to work with," Wolcott said. "The season went extremely fast."

## Camp's 75th Anniversary Flag Included In State's Archives

**CAMP GRAYLING'S 75th HISTORY** — Grayling's D. J. Brown (c) presents to Secretary of State Richard H. Austin (L) a historical collection documenting the joint community/military celebration of Camp Grayling's 75th Anniversary.

The flag that flew over Camp Grayling during its 75th Anniversary year and pictures and other memorabilia of the year long celebration were presented to Secretary of State Richard H. Austin in Lansing today for inclusion in the State of Michigan's historical archives. Two identical collections were presented to Major General Vernon J. Andrews, The Adjutant General of Michigan, for the libraries at State Headquarters in Lansing and at Camp Grayling.

The presentations were made by Ms. D. J. Brown of Grayling during ceremonies at the new Michigan Library and Historical Center in Lansing. Ms. Brown was the coordinator of The Camp Grayling Area Minuteman Foundation, a community task force that organized the numerous events that occurred both in the community and at the Camp.

"The 75th Celebration marked a high point in Camp Grayling's history," said General Andrews "both as a training facility and as part of the Grayling area. We really enjoyed the opportunity to work with the community, and this excellent collection will serve as a permanent reminder of the kind of cooperation that is possible. We appreciate the work of the Minuteman Foundation for making it possible and especially the organizational talents of Ms. Brown as its coordinator."

## Travel Series Visits Greece

On Thursday evening, November 2, the CASD Community Education Program will present its 2nd program of the Travel and Adventure Film Series at 7:30 p.m. in the Joseph Stripe Auditorium, at Grayling High School.

Howard and Barbara Pollard will present Greece, a land of sunshine, beauty. The crowded, bustling city of Athens contrasts with small mountain villages that are typical of Greece. And always, the sparkling blue Mediterranean, the Ionian and Aegean Seas gently surround the fabled Greek Isles. See the sights of

Athens, like Constitution Square, the Plaka and enjoy dinner in the shadow of the Parthenon. Spend an evening with a young Greek family in their home.

Visit the Peloponnese, where Corinth and the Temple of Apollo beckon the traveler. Enjoy folk dancing at the Amphitheater at Epidauraus and see the site of the first Olympic games at Olympia. Travel to the mystical Oracle of Delphi.

The Greek Isles are magical, each one with a unique appeal. Stopping in Crete, visit a farm and see farm folk making cheese. Enter

the Isle of Santorini through one of the most dramatic harbors in the world, surrounded by sheer cliffs.

Sail to Rhodes and see its medieval walled city. Celebrate at a birthday party with much feasting, musicians, dancing

and laughter. In romantic Mykonos, the historic windmills dominate the harbor, crowded with boats and yachts bobbing in the sparkling blue water. Greece is filled with such scenes, all made more wonderful by the intensity of the ever present sun.

### Commission on Aging

Mark your calendars and call for reservations for the annual Thanksgiving dinner and dance at the K of C Hall on Tuesday, November 21. Traditional turkey dinner at 5 p.m. with dancing and music provided by Tina Ken-

nedy at the organ. Donations of \$1.50 for seniors and \$2.50 charge for those under 60 years. Call the COA for reservations 348-8031 or 348-7123. The public is invited to attend.

Notice: The COA will be closed on November 23, Thanksgiving Day and on Friday, November 24.

## Golfing Package Is Big United Way Auction Prize

A K-Mart "Blue Light Special" and more awaits you at the United Way Auction. The new assistant manager of K-Mart, Mark Holland, has volunteered to be one of the bachelors to be auctioned off at the United Way Auction on November 4th. Another volunteer is Ken Arndt, sponsored by Camp Grayling. These are but two of the bachelors who will be waiting for the right girl, to make the right bid, resulting in a wonderful evening.

But, that's not all. Celebrity Auctioneer Brad Scheer will be auctioning off a month's use of a Cadillac Sedan DeVille to be used any time from Nov. 4th until Dec. 31, 1990.

If you have a special event that you'd like to spark with music, come and make a bid for The Original AuSable River Dixieland Band. Since becoming a part of the auction, these guys have appeared at weddings, receptions, and even been the special attraction at local

restaurants. All as a result of the bidding to help United Way.

Mercy Hospital is back this year with a new twist. A "Progressive Dinner" at three different homes. One for Hor'd'oeuvres, one for the main course, and another for dessert. These dinners have gained a reputation for being spectacular. And fun too!

Schillers of Gaylord has donated an Action, Jr. Ranchero Peddle Car. The Big Ben Franklin donated a large stereo with twin speakers. Glen's Markets came through with the Golfer's Dream, Spalding wood and irons, plus putter and bag. Louise Tournaud School of Dance is giving lessons. Hanson Hills gave a family ski membership. Local radio stations have donated many advertising packages as well as WUPS Radio of Houghton Lake gave a Homeite Leaf Blower.

The grand prize on the prize board this year is a mid-week get-away at Garland

Mark Holland

Country Club courtesy of the Garland Complex in Lewiston. This includes lodging and cross country skiing for two. Also included in the package is dinner for two from Cornell Realty and Myers

Land Survey.

Come early and attend the 5 p.m. silent auction where you will find many lovely hand crafted items.

There's something for everyone, in everyone's price range at the United Way Auction. Come out for an evening of fun. Tickets are available at Grayling State Bank, Cornell Insurance, Mac's Drugs, and from all United Way board members.

### Thank You

I would like to say a very special Thank You to Mr. Fraser, Hertha Laupmanis, Chef Ed, Sue Swalec, Helen Beckett and the rest of the staff and my friends at the Holiday Inn for all of their help in my time of need.

Also a special thanks to Mr. and Mrs. Donald Boone for driving me to Petoskey.

# SPECIAL ELECTION

NOTICE IS HEREBY GIVEN, That a Special Election will be held in All Precincts of the several Townships and the City of Grayling

County of Crawford, State of Michigan

ON

TUESDAY, NOV. 7, 1989

AT THE PLACE OR PLACES OF HOLDING THE ELECTION IN SAID CITY/TWP. AS INDICATED BELOW, VIZ:

Beaver Creek Township - Beaver Creek Township Hall  
Frederic Township - Frederic Township Fire Barn  
Grayling Township - Grayling Township Offices  
Lovells Township - Lovells Township Hall  
Maple Forest Township - Maple Township Hall  
South Branch Township - South Branch Township Hall  
City of Grayling - City Council Chambers

For the purpose of voting on the following two proposals to amend the Constitution of the State of Michigan:

### PROPOSAL A

A PROPOSAL TO INCREASE THE SALES/USE TAX FROM 4¢ TO 4½¢ PER DOLLAR AND CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS

The proposed constitutional amendment would:

- 1) Constitutionally dedicate to schools:
    - a. ½¢ increase in sales/use tax;
    - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
    - c. Increased share of existing sales/use tax (51% to 68%) to substantially replace annual school appropriation.
  - 2) Distribute dedicated funds to school districts as provided by law.
  - 3) Activate increased statutory penalty to deny 100% of state funds to schools not adopting core curriculum and improvement plans.
- Should this proposal be adopted?

### PROPOSAL B

A PROPOSAL TO INCREASE THE SALES/USE TAX FROM 4¢ TO 6¢ PER DOLLAR, REDUCE SCHOOL PROPERTY TAXES, SET PERMANENT SCHOOL OPERATING MILLAGES NOT SUBJECT TO VOTER RENEWAL, AND CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS

The proposed constitutional amendment would:

- 1) Constitutionally dedicate to schools:
    - a. 2¢ increase in sales/use tax;
    - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
    - c. Increased share of existing sales/use tax (51% to 75%) to substantially replace annual school appropriation.
  - 2) Reduce property taxes in most school districts. Replace school taxes with permanent statewide millage (9-mills on residential/farm; 14-mills on businesses) plus non-voted local millage not subject to voter rollback. Limit voter-approved increases to 4-mills.
  - 3) Set per-pupil funding guarantees subject to change by law requiring ⅔ vote.
  - 4) Activate increased statutory penalty to deny all non-guaranteed state funds to schools not adopting core curriculum and improvement plans.
- Should this proposal be adopted?

## Obituaries

## Agnes Bissonette

Agnes Bissonette, 81, of Grayling Township died Saturday, October 28, 1989, at Mercy Hospital, Grayling. Funeral will be Wednesday, November 1, 1989, at 1:00 p.m., at Michelson Memorial United Methodist Church with Dr. Den-

nls Paulson officiating. Burial will be at the Elmwood Cemetery, Grayling.

Mrs. Bissonette was born in Wayne, Michigan on October 28, 1908 to Arthur and Ida Julia (Thoe) Wendt. She was the Health Officer for Crawford County from 1937 to 1942. She moved down to Grand Blanc during WWII and worked as a welder in a tank manufacturing plant. She moved back to Grayling in 1960 and was a retired restaurant cook.

Survivors include two daughters: Betty

Sears and husband, Alfred, of Davison, Pat Lynn and husband, Kenneth, of Burton, two sons: Bob Bissonette of Drayton Plains, and Dick Bissonette of Grayling, fifteen grandchildren, 30 great-grandchildren, and one great-great-grandchild. She was preceded in death by her son Ernest, in 1978.

# FOOTBALL Contest

1st Place Wins \$50 Each Week!

John DeVries, of Grayling, edged out John Cherven in the first tiebreaker to win the \$50 weekly prize. They both had 17 right. DeVries picked 35 in the tiebreaker and Cherven picked 48. The score in the first tiebreaker game (Gaylord-Grayling) was 34.

Coming close were John David Junttila, Don Foco, Dora Mead, and Eric LaForest.

Game number 19, listed as Nebraska at Colorado, was marked correct on everyone's entry because that game is scheduled for this weekend. We'll give you another shot at predicting that game this week.

Leaders in the overall contest to determine the best football expert in Crawford County (plus win \$50) are Mike McNamara 119; Heidi Mead, Mick McNamara 115; Gary Derenzy, Arthur Thayer 114; Marie St. Germain 113; Ace Worden 112; Heather Derenzy, Steven Fick, and Corky Hellebuyck 111.

There are 39 persons with at least 100 points and close to the top with 7 weeks left.

Don't forget to sign your entry form and use the Avalanche entry form only.

**The Bible Speaks**

**The Gospel of John Part #102 The Beginning of Trials**

In John 18:12, human power is on trial as finite men bind omnipotent God. "Then the band and the captain and officers of the Jews took Jesus, and bound him." The "captain and officers" represent the Roman government, and the "officers of the Jews" represented the religious leaders of Israel. This binding of Jesus was voluntary on His part as He fulfilled the Old Testament types of Isaac in Genesis 22:9, and Joseph in Genesis 40:3. The sacrifice for our sins was to be bound. (Psalms 118:27). Even a Roman citizen in that

day would have been spared such treatment, (Acts 22:28, 29), but, the creator of the universe is here bound by His creatures.

Human justice is on trial as God stands first before the religious court and finally before the civil court of Pilate. "And led him away to Annas first; for he was father in law to Caiaphas, which was the high priest that same year." (John 18:13). Adam was driven from the garden, but Christ was led as "...a lamb to the slaughter..." (Isaiah 53:7). Annas was the official High Priest of Israel since the High Priest was appointed for life. (Exodus 40:15, and Numbers 35:25). Caiaphas was the High Priest appointed by the Roman government.

Annas was an extremely wealthy, powerful man who retained control of the priesthood through the appointment of his five sons, a son in law, and a grandson during his lifetime.

Annas first examined Christ to look for a legal basis to place Him on trial. Caiaphas had already planned to crucify Christ, "Now Caiaphas was he, which gave counsel to the Jews, that it was expedient that one man should die for the people." (John 18:14). This was for political expediency to protect the Jewish religious system from Roman control. (John 11:49-50).

Human faithfulness was on trial. Peter followed Jesus, (John 18:15) in spite of the fact Jesus had told him all His disciples would fail Him that evening. (Matt. 26:31). He even told Peter specifically how much he would fail him. (John 13:38). Yet, Peter failed to recognize and acknowledge his own human weakness. Even when God by divine providence had closed the door on Peter, he still used human ingenuity to enter the trial area. (John 18:16).

Brave Peter who had cut off the ear of Malchus earlier, (John 18:10), now is overwhelmed by a slave girl who guarded the gate. "Then saith the damsel that kept the door unto Peter, Art not thou also one of this man's disciples? He saith, I am not." (John 18:17). Peter failed to use his tongue to proclaim God's truth. This is the greatest failure of every Christian. Once silenced, Peter is found in fellowship with the enemies of His Lord. (John 18:18). This is a warning to all of us to be faithful stewards of God wherever we are. (I Cor. 4:2).

## The Choice

Autumn leaves, after they've fallen... ants at a picnic... rain when you've wished for sun. Life is full of such tangles.

But it's how you approach them that counts. Upbeat, or downbeat?

You can rake leaves, enjoying the golden quiet of an October afternoon. You can brush aside the ants and enjoy the picnic. You can settle in with a book on a rainy afternoon.

The choice is yours—for the best things, or for the worst of things. Like worshipping in God's House... it's up to you!

Why not try the upbeat way there, too?

## ... about your Social Security

If you plan to retire at the end of the year, contact Social Security now to find out what documents and information you will need. You many find that you can complete your application now, depending on when you will be eligible to start receiving your Social Security checks.

When you file your application, you will need certain information and documents: A certified copy of your birth record or a religious record, recorded before age 5; your W-2 form or tax return for the past year, if you had earnings; your bank account information, to arrange for direct deposit of your checks, and of course, your Social Security number. You will also be asked to provide information about any marriages, military service, and non-Social Security covered employment. If you have eligible children, plan to furnish their birth records and Social Security numbers. Also, you'll need to estimate your 1989 earnings.

Social Security benefits are payable at 62, at a permanently reduced rate, or full benefits are available at 65. Delayed retirement credits are added to the check for

months past 65 when no checks are paid.

You can get an estimate now of the benefits you will receive. If you are at least age 60, you can get the estimate by phone. People under age 60 should use the personal earnings and benefit estimate form available from Social Security or your post office. The reply takes a few weeks. In addition to a benefit estimate, the response includes a breakout of your yearly earnings, since 1951.

Remember, if you plan to contact Social Security -- either to apply for benefits, or to get more information, call first! You can probably complete your business, including filing a claim for benefits, entirely by phone! Any needed documents can be mailed to us. All of your documents will be returned to you.

Call Social Security toll-free at 800-234-SSA. The Traverse City office is located at 1111 E. Front St. Hours are 9:00 - 4:30, Monday through Friday.

A representative is at the County Building in Grayling on the first and third Tuesday of each month, 10:30 - 2:00. There is no phone service at this location.

## Hunting

By Joe Murphy

This is the eighth and final column in this hunting series. I hope some of you young hunters have been reading it and taking to heart at least the rules of gun safety. I hope you're spending some time in the woods trying to get a line on a nice big buck. Do you have your rifle sighted in and handle it a little every day so that it will feel right by hunting season?

Remember your folks are showing a lot of respect for your maturity and common sense by permitting you to hunt, don't let them down. It seems that Diana (the Goddess of the hunt) looks with favor on young hunters. That first buck seems to come pretty easy for them but that second one may be hard to find. I wish you all a safe and a good hunt.

Now I would like to tell the story of Old Streak, one of the

biggest bucks that ever ran the woods of Crawford County. The first time my Dad jumped Old Streak he looked just like other deer but Dad's shot almost missed, the old boy must have zigged when Dad thought he was going to zag for the bullet just burned him good along the side and shoulder. The next summer we began seeing this big buck with a streak of white where Dad's bullet had burned him. The big buck took up residence in the patch of woods we had used for a pig pen.

That big buck and Dad became pretty good friends. Dad was an old lumberjack and of course chewed that good Red Man tobacco. There was an old elm stump by the corner of the pig pen and Dad started leaving a little tobacco on the stump for Old Streak. Soon the buck started to watch for Dad and the little chew of tobacco

he left for him. We spent a lot of time watching the buck trying to count the points of that huge rack. The best we could figure was twenty or more points.

When deer season came we stayed away from the pig pen until most hunters were gone. Then Dad and Old Streak would be off for fun and games. Dad said if he could outsmart that old buck fair and square he would kill him. But Old Streak didn't get big and old by being dumb. They had a lot of fun for about three years with their games. They both learned to respect each other's savy and wood's lore.

In the valley in our pasture there were some apple trees and I noticed Old Streak was feeding on those apples. I decided to try getting in on the game by watching those trees in the evening. The trouble was there were a few trees about six hundred yards apart. If I watched one bunch he would be at the other. This went on for a few nights then one night I was sitting watching the old buck feed on the apples at the other end when I saw Dad slip up on the ridge just above Old Streak. The gun went to his shoulder and I waited for the shot. It never came. I saw Dad lower his gun and he must have spoke to the old buck for he came running right down my way. He ran about fifty feet from me and I had him cold in my sights but I couldn't kill the old boy either. I stood up and Old Streak tore out of there. I watched him run off then turned and walked down to meet Dad. We both wore big grins when we met.

That winter was a bad one and Old Streak must have died for he never showed up around the farm again. But I like to think the Dear Lord in his tender mercy saved a little corner of Heaven for an old man and an old buck to continue their fun and games.

## Verse or Worse

By Joe Murphy

### ONE OF LIFE'S GREAT MYSTERIES

I've searched long and hard for the answer  
How does the darn thing always know  
It's puzzled men much brighter than I  
It's a mystery that just seems to grow

It just never happens otherwise  
No matter how long we wait  
Is it a diabolical plot against us  
Or is it the fickle hand of fate

We wait and wait with baited breath  
But it will never happen then  
We try to suppress our urgent urge  
So it won't happen to us again

We wait in the throes of agony  
For that important telephone call  
On that device of slavery  
That hangs silent on the wall

Till at last you can wait no longer  
Maybe it will be the exception that proves the rule  
No! that telephone starts ringing  
Just as you're busy on the stool

pounds. Some have been known to weigh 40 pounds, but this is a rarity.

Bobcats utilize a habitat of forests, thickets, and swamps to raise their annual litter of 2 to 4 kits. The young are helpless at birth, are weaned at two months and stay with the mother for up to about six months before striking out on their own.

Bobcats are mostly nocturnal, feeding on hares and rabbits, with other small rodents making up the rest of their diet. However, bobcats will also prey on turkey, deer (usually weakened or

injured), grouse and domestic birds and mammals.

Bobcat fur is valuable and bobcat hunting and trapping is widespread in North America. In Michigan, bobcat are hunted and trapped in the Upper Peninsula, but can only be hunted in the northern Lower Peninsula, and then only in certain counties. A season limit of one bobcat per licensed fur harvester is in effect and the pelt must be sealed within 72 hours of being taken.

Occasionally, we receive reports of sightings of a large, long tailed cat, often in the Deward area. Other sightings of large cats are made in other parts of the state, also. Are these cats mountain lions? I don't know. Mountain lions were found in Michigan at one time, but were killed and driven out as the state was settled. If we had such animals around at present, I am sure more evidence would turn up than an annual sighting or two.

## Your Week Ahead Horoscope

Forecast Period: 11/5-11/11/89

- ARIES**  
Mar. 21-Apr. 19  
There should be plenty of action in corporate or business matters. Conflict regarding joint funds puts a strain on relationships.
- TAURUS**  
Apr. 20-May 20  
Use your energies most efficiently by working through misunderstandings in partnership matters. Is the conflict really worth the fight?
- GEMINI**

- PISCES**  
Feb. 19-Mar. 20  
Look for experience that will open your mind to new issues and beliefs. Don't become set in concrete.

## Doodles from the Tall Timber

It seems like all of nature has been holding its breath for the last week or so with the beautiful weather we have been graced with. Unfortunately the radio is telling us a change is coming even as I write this.

I've viewed the scene in front of me many times over the

years and while some things have changed, others have remained. There has been a red squirrel hiding cones from the red pines, but a little while ago, two ladies picked up most of them and now the squirrel can't quite figure out what happened. A white breasted nuthatch has

been working its way down one tree after another and a flock of chickadees just went through. Those bundles of fluff always amaze me with their ability to hang upside down on the flimsiest of twigs.

There is a mosquito in the window, another reminder of the season just past. Some

mosquitos winter as adults, coming forth in the spring to lay their eggs. The ground out front of the office is brown with pine needles speckled with fallen pine cones. Those needles which will come with spring. The cones have sprinkled their cargos of seeds to the waiting earth some weeks ago. A very few of those seeds will sprout with the coming of spring, but in the meantime, they need the cold and the moisture from the snow.

The shape of the vehicles entering the park has changed over the years, but not the questions. Not only have the vehicles changed, but the vehicle permits have changed too. The first daily permit I sold, twenty-eight years ago, cost fifty cents,

## Recipes By Phyllis Brummer

### Chicken With Jicama

1½ lb. Boneless Chicken Breast  
(Turkey May Be Substituted) Cut Into Large Dice  
1½ c. Water  
2 tbsp. Soy Sauce  
3 Chicken Bouillon Cubes  
2 tbsp. Cornstarch  
2 c. Sliced Fresh Mushrooms  
1 c. Jicama Cut Into Large Dice (Water Chestnuts May Be Substituted)  
1 c. Pea Pods

Brown chicken in a little oil in skillet or wok. Add 1½ c. water, soy sauce and bouillon; simmer 20 minutes. Mix cornstarch with ¼ c. water and add to chicken. Add mushrooms, jicama and pea pods. Cook until pea pods are crisp-

tender. Serve over rice if desired. Serves 6.

### Roast Partridge

4 Cleaned Partridges  
8 Slices Bacon  
Seasoned Flour  
Currant Jelly  
1-2 tbsp. Port Wine (Optional)

Brush birds with corn oil and wrap in bacon, securing with toothpicks. Bake until juices run clear, 15-30 minutes. Remove birds and keep warm. Remove bacon. Add a little water to baking pan to loosen brown bits. Mix small amount of flour with water and add to pan juice. Add currant jelly, a teaspoon at a time, to desired taste. Add wine and cook until smooth. Correct seasoning.

## A Look At Our Past

23 YEARS AGO

October 27, 1966

Crawford County began offering ambulance service within the county on Tuesday, November 1. The service operated as part of the Crawford County Sheriff's Department.

The Board of Supervisors had been considering the Crawford County ambulance situation since spring when A.J. Sorenson of the Sorenson Funeral Home announced that he was preparing to drop the service.

A shortage of help, loss of operations, damaging public relations resulting from an inability at times to reach an emergency scene soon enough to suit the general public, criticism for not administering oxygen when qualified personnel were not available were a few of the reasons mentioned for discontinuing the service.

The Grayling Jaycees sold pumpkins door to door on Wednesday, October 26.

The proceeds of the sale was used to give Grayling area children a free movie at the Rialto Theatre on Halloween night.

Harold Cliff, City Manager, announced that there would be a Rubbish Pickup by City crews on Monday, October 31, and November 1st.

Residents were advised to have their rubbish in containers. Andie Neilson didn't think meat was so high or people so lazy that they had to resort to stealing beef. After checking, two cows at West Branch, two at Gaylord and one at Kalkaska were missing. The animals had been gutted and taken. It is thought that four or six men were working in a covered van or pickup. The members of St. Francis Episcopal Church celebrated the church's 10th anniversary. The first service was held on November 4, 1956, at the Grayling Evangelical Lutheran Church with the Rev. Charles E. Edinger of Cheboygan

conducting the service. The church's present building was dedicated on October 28, 1961.

Funeral services were held on Tuesday, October 25, for Algot Johnson, who passed away after a short illness. Mr. Johnson was 85, and had been a resident of Crawford County since coming to the United States from Sweden with his family in 1905.

Mr. Johnson was a foreman in the Hanson and Son mills and for the R. Hanson Company.

48 YEARS AGO

October 28, 1943

Mr. and Mrs. John Knecht are attending the Michigan State Grange convention in Kalamazoo this week as delegates from Crawford Grange.

Seventeen ladies were guests of Miss Eva Madsen Tuesday evening at a miscellaneous shower which she gave honoring Mrs. William VonSee (Virginia Feldhauser). Pinochle

and bunco were played with prizes going to Mrs. VonSee and Miss Fern Akers for pinochle and Miss Bessie Feldhauser and Miss Isenbauer for bunco.

Mrs. William Hoffman (Jerrine Peterson) since going to Oregon to be with Mr. Hoffman, who is in the coast guard and located at Coos Bay Harbor, ran across a cousin she had never seen. It is Lars P. Peterson and she has learned that the latter's father and grandfather the late Christian Peterson were brothers. Someone here had sent a clipping from the Avalanche to relatives of Mr. Peterson in Oregon and so an effort to locate Mrs. Hoffman was successfully made.

Frank Owens, who is in the Navy, is home on furlough visiting his grandparents, Mr. and Mrs. Dan Owens.

Born to Mr. and Mrs. Carl J. Bauer, Jr. (Mary Schumann) Saginaw, a son at 5 o'clock this morning.

The baby weighed 7 pounds. He and the mother are getting along nicely at General Hospital.

Mrs. Joseph McLeod has returned from Lincoln, Nebr., after a couple of months visit with her son Sgt. and Mrs. George Schroeder.

Sgt. Schroeder is on Army duty in Lincoln. Mr. and Mrs. David Lowe have received a letter from their son, Cpl. Richard Lowe saying that he has arrived safely in England. Mr. and Mrs. Lowe have three sons in the service, who besides Cpl. Richard Lowe are Pvt. William Lowe, somewhere in the Pacific, and Pvt. Leon Lowe in Nashville, Tenn.

Misses Fay Christenson and Eleanor Bugby left Wednesday for Mt. Pleasant where they will attend C. M. C. E.

The Junior and Senior classes of Grayling high school combined talents last Friday evening in the year's most successful dancing party to

recordings of all the name bands. The shot of a rifle and the tune of the "Martins and McCoy's" interrupted the dancers at 10:30 and the floor show was well under way. Herb Wheeler and Dwight Reava took the parts of the old feuders and sang the hillbilly song that has made them popular. The tap dance team of the north, Billyann Clippert and Corky Peterson tapped out onto the stage to the tune of "East Side, West Side," and danced the bowery dance, the favorite of everyone. Grayling's own Ginny Simms (Jeanne Hanson) pleased the crowd with singing "She Don't Wanna." The comedy trio Edwina Simpson, Gloria Jean McDaniel and Ed Owens, now have made "Pistol Packin' Mama" famous, Jane Milnes with Mickey Brady, Dick Dawson, Ed Owens, and Bob Smock singing in the background concluded the entertainment with a presentation of the Gay Nineties revue.

Many thanks go to Mrs. C. G. Clippert who accompanied the entertainers.

69 YEARS AGO

Peter Aebli, a well known resident of Crawford County, passed away Monday. He was born in Gairious, Switzerland, Nov. 7, 1849. Mr. Aebli came to Crawford County in 1895. Here he took up his trade as printer, being employed on the Avalanche by Dr. O. Palmer, who was then the publisher.

Lorane Sparkes is the new bookkeeper at the Bank of Grayling.

Chris Hoesli says that he picked a beautiful bunch of arbutus in full bloom Sunday.

Mrs. George Alexander left Sunday for Detroit to take treatments at a sanitarium in that city.

Marshal Brenner says that some boys have been committing pranks at the fire engine house by tying up the bell so the "cur-

few cannot ring tonight." But Mike insists it shall ring every night and warns the boys that it is a serious offense.

Miss Ann Walton, a graduate nurse from Harper hospital in Detroit, is the new Red Cross nurse for Crawford County. The greater part of her work will be conducted through the schools.

Henry Joseph of New York City arrived in Grayling Saturday night. He was accompanied by Miss Josephine Mann of Los Angeles, Calif. They will be the guests of Mr. Joseph's mother, Mrs. Rosa Joseph. The engagement of Miss Mann and Mr. Joseph has been announced.
